Forecast for Thursday 11 May 2023

Weather: Always cloudier north of the Inverness to Ullapool road where some lower cloud will feed in on northeast winds. Showers isolated early, building for the afternoon with a risk of hail and thunderstorms, mainly from Torridon southwards. Showers easing for the evening.

Chance of cloud-free hill tops above 800m: Ranging from 25% in north and 75% in south

Low cloud and visibility: Good or very good, becoming moderate or poor in showers, very poor within cloud with bases lowering 600m in showers, more extensively and lower down across the far north.
